

Fill in the gaps

An (1) street	To see you once again, my love
An empty house	I try to read
A (2) inside my heart	I go to work
I'm all alone and the (3) are	I'm (13) with my friends
(4) smaller	But I can't stop to keep (14) (15)
I wonder how, I wonder why	thinking
I wonder where they are	I (16) how, I wonder why
The days we had, the songs we (5) together	I (17) where (18) are
And oh my love	The (19) we had, the (20) we
I'm holding on forever	(21) together
Reaching for a (6) (7) (8) so	And oh my love
far	I'm holding on forever
So I say a (9) prayer	Reaching for a (22) that (23) so far
And hope my dreams will take me there	To hold you in my arms
Where the skies are blue	To (24) you my love
To see you (10) again, my love	To (25) you (26) the heart
Overseas (11) coast to coast	You're all I'm (27) of
To (12) the place I love the most	I'm (28) for a love seem so far
Where the fields are green
