

Where the fields are green

Fill in the gaps

An (1) street	To see you once again, my love
An empty house	I try to read
A hole inside my heart	I go to work
'm all (2) and the (3) are getting	I'm laughing (7) my friends
smaller	But I can't stop to keep (8) from thinking
wonder how, I wonder why	I wonder how, I wonder why
wonder where they are	I wonder where they are
The days we had, the songs we sang together	The days we had, the songs we sang together
And oh my love	And oh my love
'm holding on forever	I'm holding on forever
Reaching for a love that seem so far	Reaching for a love (9) seem so far
So I say a (4) prayer	To hold you in my arms
And hope my dreams (5) take me there	To promise you my love
Where the skies are blue	To tell you from the heart
To see you (6) again, my love	You're all I'm thinking of
Overseas from coast to coast	I'm reaching for a love (10) so far
To find the place I love the most
