

## Fill in the gaps

It's hard to remember how it felt before	We (8) changed but we're still the same
Now I found the (1) of my life	After all that we've been through
Passes things, get more comfortable	I (9) we're cool
Everything is (2) right	I know we're cool
And (3) all the obstacles	Yeah, I know we're cool
It's good to see you now with someone else	And I'll be happy for you
And it's such a miracle (4) you and me are still	If you can be happy for me
good friends	Circles and triangles
After all that we've been through	And now we're hanging out with your new girlfriend
I know we're cool	So far from where we've been
I know we're cool	I know we're cool
We used to think it was impossible	I know we're cool
Now you call me by my new (5) name	cool, I know we're cool
Memories (6) like so long ago	I know we're cool
Time always kills the pain	
Remember Harbor Boulevard	
The (7) days where the mess was made	
Look how all the kids have grown, oh
