

Fill in the gaps

On a dark (1) highway, cool wind in my hair	Wake you up in the (17) of the night
Warm smell of colitas, rising up through the air	Just to hear (18) say
Up (2) in the distance, I saw a shimmering light	Welcome to the (19) california
My (3) grew heavy and my sight grew dim	Such a lovely place
I had to stop for the night	Such a lovely face
There she (4) in the doorway;	They livin? it up at the hotel california
l heard the (5) bell	What a nice surprise, bring your alibis
And I was thinking to myself,	Mirrors on the ceiling,
?this could be heaven or this could be hell?	The (20) champagne on ice
Then she lit up a candle and she showed me the way	And she said ?we are all just (21)
There (6) (7) down the corridor,	here, of our own device?
I thought I (8) them say	And in the master?s chambers,
Welcome to the (9) california	They gathered for the feast
Such a lovely place	The stab it with their steely knives,
Such a (10) face	But (22) just can?t kill the beast
Plenty of room at the hotel california	Last thing I remember, I was
Any time of year, you can find it here	Running for the door
Her mind is tiffany-twisted, she got the	I had to find the (23) back
(11) bends	To the place I was before
She got a lot of pretty, pretty boys, that she calls friends	?relax,? (24) the night man,
How they (12) in the courtyard,	We are (25) to receive.
(13) summer sweat.	You can checkout any time you like,
Some dance to remember, some dance to forget	But you can (26) leave!
So I called up the captain,	
?please (14) me my wine?	
He said, ?we haven?t had that spirit here since nineteen	
(15) nine?	
And still those (16) are calling from far away,
