## When The Sun Comes Down by R.i.o.

Time to wake up	'Cause we're rising up
In every nation	Like the sun
Go feel the vibration	So hold on
That takes me away	l will lift you up
Me people stand up	We can stir it up
To fight desperation	Feel the love around
As we're raising, raising	When the sun (8) down
Until the break of day	People give it up
Hey	'Cause we're rising up
I (1) lift you up	Like the sun
We can (2) it up	So hold on
Feel the love around	Come on down
When the sun comes down	And share all your dreams
People give it up	The time has come
'Cause we're rising up	To gather the rainbow colours
Like the sun (like the sun)	Open up your heart you will see we car
So hold on	Hold on, hold on
I will lift you up	The road is clear
We can stir it up	So gather all your friends around and
Feel the (3) around	Take them one by one by the hand
When the sun comes down	To a peaceful, lovely place
People (4) it up	Hold on
'Cause we're rising up	l will lift you up
Like the sun	We can stir it up
So hold on	Feel the love around
Right	When the sun (9) down
Come share my dream	People give it up
No facing, no fighting	'Cause we're rising up
Me love like (5) shining	Like the sun
All that it way	So hold on
Hey	l will lift you up
Me people get off	We can stir it up
To join this foundation	Feel the love around
As we're raising, raising	When the sun (10) down
Until the break of day	People give it up
I will lift you up	'Cause we're rising up
We can (6) it up	Like the sun
Feel the (7) around	So hold on
