

## Fill in the gaps

## Don't Walk Away by Michael Jackson

Don't (1) away	See now why
See I (2) (3) find the right thing	All my (15) been broken
o say	I (16) know where (17)
tried but all my (4) gets in the way	going
Tell me what I (5) to do so you'll stay	Everything we said and all we done now
Should I get down on my (6) and pray	Don't let go, I don't wanna walk away
And how can I stop (7) you	Now why
How can I begin to say	All my dreams (18) broken
When (8) nothing left to do but	Don't (19) (20) we're going
(9) away	Everything begins to set us free
close my eyes	Can't you see, I (21) wanna walk away
Just to try and see you (10) one more time	If you go, I won't forget you girl
But it's been so long now all I do is cry	Can't you see that you will (22) be
Can't we find some love to take this away	Even though I had to let you go
Cause the (11) gets stronger every day	There's nothing (23) to do
How can I begin again	Don't walk away
How am I to understand	
When (12) (13)	
(14) to do but walk away
