

Fill in the gaps

I have often dreamed	And I won't look back
Of a far off place	I can go the distance
Where a hero's welcome	And I'll stay on track
Would be (1) for me	No I won't (13) defeat
Where the (2) (3) che	eer It's an uphill slope
When they see my face	But I won't lose hope
And a voice (4) saying	Till I go the distance
This is where I'm meant to be	And my (14) is complete
I'll be there someday	But to look (15) the glory is the hardest part
I can go the distance	For a hero's (16) is measured by his
I will find my way	heart
If I can be strong	Like a shooting star
I know every mile	I (17) go the distance
Will be worth my while	I (18) search the world
When I go the distance	I will (19) its harms
I'll be (5) where I belong	I don't (20) how far
Down an (6) road	I can go the distance
To (7) my fate	Till I find my hero's welcome
Though (8) (9) may wand	er Waiting in (21) arms
It will (10) me to you	I (22) (23) the world
And a thousand years	I (24) face its harms
Would be worth the wait	Till I (25) my hero's welcome
It (11) take a lifetime	Waiting in (26) (27)
Rut (12) I'll see it through
