

## Fill in the gaps

### November Rain by Guns N' Roses

When I look into your (1)\_\_\_\_\_ I can see a love (2)\_\_\_\_\_ But darlin' when I hold you Don't you know I feel the same 'Cause  
nothin' lasts forever And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such a  
long long time Just tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go today Walking  
away If we could take the time To lay it on the line I could (3)\_\_\_\_\_ my head Just knowin' that you (4)\_\_\_\_\_ mine All mine So if you want to  
love me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On (5)\_\_\_\_\_ own Do you need  
some time All alone Everybody needs some time On their own Don't you know you need some time All (6)\_\_\_\_\_ I know it's hard to keep an  
(7)\_\_\_\_\_ (8)\_\_\_\_\_ When even friends seem out to harm you But if you could heal a broken heart Wouldn't (9)\_\_\_\_\_ be out to charm  
you Sometimes I need some time On my own Sometimes I need some time All alone Everybody needs some time On their own Don't you know you  
need some time All alone And when your fears subside And shadows still remain I know that you can love me When there's no one left to blame So  
never mind the darkness We still can find a way 'Cause nothin' lasts forever (10)\_\_\_\_\_ cold November rain Don't ya think that you Need  
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you  
Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think  
that you Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya  
think that you Need somebody Don't ya think that you Need someone Everybody needs somebody

## Fill in the gaps

Answer
