

## Fill in the gaps

### November Rain by Guns N' Roses

When I look into (1)\_\_\_\_\_ eyes I can see a love restrained But darlin' when I hold you Don't you know I feel the same 'Cause nothin' lasts forever  
And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such a long long time Just  
tryin' to kill the (2)\_\_\_\_\_ Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go (3)\_\_\_\_\_  
(4)\_\_\_\_\_ away If we could take the time To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want  
to love me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On (5)\_\_\_\_\_ own Do you need  
some time All alone Everybody needs some time On (6)\_\_\_\_\_ own Don't you know you need some time All alone I know it's hard to keep an  
open heart When even friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some  
time On my own Sometimes I need some time All alone Everybody needs some time On their own Don't you know you need some time All alone And  
when your fears subside And shadows still remain I know that you can love me (7)\_\_\_\_\_ there's no one left to (8)\_\_\_\_\_ So never mind  
the darkness We still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody Don't ya think that  
you (9)\_\_\_\_\_ someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you Need somebody  
Don't ya think that you Need someone Everybody needs (10)\_\_\_\_\_ You're not the only one You're not the only one Don't ya think that  
you Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya  
think that you Need somebody Don't ya think that you Need someone Everybody needs somebody

## Fill in the gaps

### Answer
