

## Fill in the gaps

when I look into your eyes I can see a love restrained but dariin when I hold you bon't you know I feel the same. Cause nothin lasts forever and we
both know hearts can change And it's hard to hold a candle In the cold November rain We've been (1) this Such a long long time
Just tryin' to kill the pain Yeahh But lovers always come And lovers always go And no one's really sure Who's lettin' go today Walking away If we
could (2) the time To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want to love me Then darlin'
don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some time All alone Everybody
(3) some time On their own Don't you know you need some time All alone I know it's hard to keep an open heart When even friends
seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you (4) I need some time On my ow
Sometimes I need some time All alone Everybody needs some time On their own Don't you know you need some time All alone And when your fears
subside And shadows still remain I know that you can love me When there's no one left to (5) So never mind the darkness We still can
find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you (6) somebody Don't ya think that you Need
someone Everybody needs somebody You're not the only one You're not the (7) one Don't ya think that you Need somebody Don't ya think
that you Need someone (8) needs somebody You're not the only one You're not the only one Don't ya think that you Need
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya
