

## Fill in the gaps

when I look into your eyes I can see a love restrained but dariin when I hold you bon't you know I reel the same. Cause nothin lasts fore	ever And we
both know (1) can change And it's hard to hold a candle In the cold November rain We've been (2) (3	3)
Such a long long time Just tryin' to kill the pain Yeahh But lovers always come And lovers always go And no one's really sure Who's letti	in' go today
Walking away If we could take the time To lay it on the line I could (4) my head Just knowin' that you were mine All mine So if	you want to
love me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need s	some time All
alone Everybody needs some time On their own Don't you know you need some time All alone I know it's hard to keep an open heart Wh	nen even
friends seem out to harm you But if you (5) heal a broken heart Wouldn't time be out to charm you Sometimes I need some	time On my
own Sometimes I need some time All alone Everybody needs some time On their own Don't you know you need some time All alone And	d when your
fears subside And shadows still remain I (6) (7) you can love me When there's no one left to blame So never mind	I the darkness
We still can find a way 'Cause nothin' lasts forever Even cold (8) rain Don't ya think that you Need somebody Don't ya	ya think that
you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya (9) that you Need	d somebody
Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that yo	ou Need
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya th	hink that you
Need somebody Don't ya think that you Need someone Everybody (10) somebody
