November Rain by Guns N' Roses

When I (1)_____ into your eyes I can see a love restrained But darlin' when I hold you Don't you know I feel the same 'Cause nothin'
(2)_____ forever And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such
a long long time Just tryin' to kill the pain Yeahh.. But lovers always (3)_____ And lovers always go And no one's really sure Who's lettin' go
today Walking away If we could take the time To lay it on the line I could rest my head Just knowin' that you (4)_____ mine All mine So if you
want to love me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some
time All alone Everybody needs some time On their own Don't you know you need some time All alone I know it's hard to keep an open heart When
even friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to (5)_____ you Sometimes I (6)_____ some
time On my own Sometimes I need some time All (7)_____ Everybody needs some time On their own Don't you know you need some time All
alone And when your fears subside And shadows still remain I know that you can love me When there's no one left to blame So never mind the
darkness We still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you (8)_____ somebody Don't ya think
that you Need someone Everybody (9)_____ somebody You're not the only one You're not the only one Don't ya think that you Need
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you
Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think
that you Need somebody Don't ya think that you Need someone Everybody needs somebody
