

They give us the greens of summers

Fill in the gaps

When I think back on all the crap I learned in high school	Makes you think all the world's a sunny day, oh yeah
It's a wonder I can think at all	I got a Nikon camera
And though my (1) of education hasn't	I love to take a photograph
(2) me none	So mama don't take my Kodachrome away
I can read the writing on the wall	Mama don't take my (6) away
Kodachrome	Mama don't take my Kodachrome away
They give us those nice bright colors	Mama don't take my Kodachrome away
They give us the greens of summers	Mama don't take my Kodachrome
Makes you (3) all the world's a sunny day, oh	Mama don't take my Kodachrome
yeah	Mama don't take my (7) away
l got a Nikon camera	Mama don't take my Kodachrome
I (4) to take a photograph	Leave your boy so far from home
So mama don't take my Kodachrome away	Mama don't take my (8) away
If you took all the girls I knew when I was single	Mama don't (9) my Kodachrome
And brought them all together for one night	Uhm uhm!
I know they'd never match my sweet imagination	Mama don't take my Kodachrome away
Everything (5) worse in black and white	O.K.!
Kodachrome	
They give us those nice bright colors
