

Fill in the gaps

You have my heart	You can run into my arms
And we'll never be (1) apart	It's okay don't be alarmed
Maybe in magazines	Come here to me
But you'll still be my star	There's no distance in between our love
Baby 'cause in the dark	So go on and let the rain pour
You can't see shiny cars	I'll be all you need and more
And that's when you need me there	Because
With you I'll always share	When the sun shines, we'll shine together
Because	Told you I'll be (12) forever
When the sun shines, we'll shine together	Said I'll always be a friend
Told you I'll be here forever	Took an oath, I'ma (13) it out till the end
Said I'll (2) be a friend	Now (14) it's raining (15) than ever
Took an oath, I'ma stick it out till the end	Know that we'll still (16) each other
Now that it's raining more than ever	You can (17) under my umbrella
Know that we'll still (3) each other	You can stand under my umbrella
You can stand under my umbrella	(Ella ella, eh eh eh)
You can (4) under my umbrella	Under my umbrella
(Ella ella, eh eh eh)	(Ella ella, eh eh eh)
Under my umbrella	Under my umbrella
(Ella ella, eh eh eh)	(Ella ella, eh eh eh)
Under my umbrella	Under my umbrella
(Ella ella, eh eh eh)	(Ella ella, eh eh eh, eh eh eh)
Under my umbrella	It's raining
(Ella ella, eh eh eh, eh eh eh)	Ooh (18) it's raining
These fancy things, will never come in between	Baby come here to me
You're (5) of my entity, here for infinity	Come here to me
When the war has (6) it's part	It's raining
When the world has dealt it's cards	Ooh baby it's raining
If the hand is hard, together we'll mend your heart	You can always come here to me
Because	Come here to me
When the sun shines, we'll shine together	It's (19) rain
Told you I'll be here forever	It's pouring rain
Said I'll (7) be a friend	Come here to me
Took an oath, I'ma stick it out till the end	Come (20) to me
Now that it's (8) more than ever
