## Don't Stop The Music by Rihanna

## Fill in the gaps

Please don't stop the music	I just came here to party
Please don't stop the music	But now we're rockin on the dance floor, actin' naughty
Please don't stop the music	Your hands around my waist
Please don't stop the music	Just let the music play
It's getting late	We're hand in hand chest to chest and now we're face to face
I'm making my way over to	I wanna take you away
My favorite place	Let's escape (6) the music, DJ let it play
I gotta get my (1) moving	I just can't refuse it
Shake the stress away	Like the way you do this
I wasn't looking for nobody when you looked my way	Keep on rockin' to it
Possible candidate, yeah	Please don't stop the, please don't stop the music
Who knew	I wanna take you away
That you'd be up in here, looking like you do	Let's (7) into the music, DJ let it play
You (2) and staying over here, impossible	I just can't refuse it
Baby, Ima say your aura is incredible	Like the way you do this
If you don't have to go, don't	Keep on rockin' to it
