

I'm already gone, already gone

Fill in the gaps

Remember all the things we wanted	You can't make it feel (7) when you
Now all our memories they're haunted	(8) that it's wrong
We were always (1) to say goodbye	I'm already gone, already gone
Even with our fists held high	There's no moving on so I'm already gone
It never would've (2) out right	Already gone, already gone, already gone
We were never meant for do or die	Already gone, already gone, already gone, yeah
I didn't want us to burn out	Remember all the things we wanted
I didn't come here to hold you, now I can't stop	Now all our memories they're haunted
I want you to know (3) it doesn't matter	We were always meant to say goodbye
Where we take this road someone's gotta go	I want you to know that it doesn't matter
And I want you to know you couldn't have (4)	Where we take this road someone's gotta go
me better	And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone	But I (9) you to move on so I'm already gone
Looking at you makes it harder	I'm already gone, already gone
But I know that you'll find another	You can't make it feel right when you know (10) it's
That doesn't (5) make you want to cry	wrong
Started with a perfect kiss (6) we could feel the	I'm already gone, already gone
poison set in	There's no moving on so I'm already gone
Perfect couldn't keep this love alive	
You know that I love you so, I love you enough to let you go	©SONGS FOR MY SHRINK
