Remember all the things we wanted	You can't (17) it feel (18)
Now all our (1) they're haunted	(19) you know that it's wrong
We were always meant to say goodbye	I'm already gone, already gone
Even with our (2) held high	There's no moving on so I'm already gone
It (3) would've (4) out right	Already gone, already gone, already gone
We (5) never meant for do or die	Already gone, already gone, already gone, yeah
I didn't want us to burn out	Remember all the things we wanted
I didn't come here to hold you, now I can't stop	Now all our (20) they're haunted
I want you to know that it doesn't matter	We were always meant to say goodbye
Where we take this road someone's gotta go	I want you to know that it doesn't matter
And I want you to (6) you couldn't (7)	Where we take this road someone's gotta go
(8) me better	And I want you to know you couldn't (21)
But I want you to move on so I'm already gone	(22) me better
Looking at you (9) it harder	But I (23) you to move on so I'm already gone
But I know that you'll (10) another	I'm (24) gone, already gone
That doesn't (11) make you want to cry	You can't make it feel right when you (25) that it's
Started with a perfect kiss then we could feel the poison set in	wrong
Perfect couldn't (12) this (13) alive	I'm already gone, already gone
You know that I love you so, I (14) you enough to	There's no moving on so I'm (26) gone
let you go
