Fill in the gaps

No More Lonely Nights by Paul McCartney

I can wait another day until I call you		You're my guiding light
You only got my heart on a string		Day or night, I'm always there
And everything a flutter		And I won't go away until you tell me so
But (1) lonely night (2)	_ take	No, I'll never go away
forever		Yes, I know what I feel to be right
We've only got each (3) to blame		No more lonely nights
It's all the same to me love		Never be another
'Cause, I (4) what I feel to be right		No more lonely nights
No more lonely nights		You're my guiding light
No more lonely nights		Day or night, I'm always there
You're my guiding light		And I won't go away until you tell me so
Day or night, I'm always there		No, I'll never go away
May I (5) miss the thrill of being (6)		I won't go away until you tell me so
you		No, I'll never go away
And if it takes a (7) of years		No more lonely nights
To turn your (8) to laughter
