

Long day and I'm ready

My body

Fill in the gaps

My soul

| I'm waiting for (1) call | Just for a one night |
|------------------------------|----------------------|
| 'Cause I've made up my mind | (One night) |
| My heart aches with a hunger | My love |
| And the (2) you were | e mine (One night) |
| No I (4) deny | I loved |
| So for one night | For one night |
| Is it all right? | (One night) |
| That I (5) you | One night |
| My heart | One night |
| My love | For one night |
| My heart | It was so right |
| Just for a one night | That I gave you |
| My body | My heart |
| My soul | (My heart) |
| Just for a one night | My love |
| (One night) | My heart |
| My love | Just for a one night |
| My love | (One night) |
| For one night | My body |
| One night | My soul |
| One night | Just for a one night |
| When mornin' awakes me | (One night) |
| Well I (6) I'll be alone | My love |
| And I feel, I'll be fine | (One night) |
| So, don't you worry about me | Love |
| I'm not (7) on my own | For one night |
| For (8) I'm alive | (One night) |
| That for one night | We love |
| It was so right | One night |
| That I gave you | One night |
| My heart | One night |
| (My heart) | (One night) |
| My love | Yeah yeah |
| My heart | (One night) |
| Just for a one night | |
| (One night) | |
