

Now I sleep with my boots on but you're still in my head

## Fill in the gaps

I'm down a one-way street	(And something tells me this time I'm down to my last licks)
With a one-night stand, With a one track mind	'Cause if it's over, Then it's over
Out in no-man's land	And it's driving me insane
(The punishment sometimes don't seem to fit the crime)	Take a walk outside your mind
Yeah there's a (1) in my soul	Tell me how it feels to be
But one thing I've learned	The one who (5) the knife inside of me
For every love letter written	Take a look and you will find there's (6)
There's another burned	there girl
(So you tell me how it's gonna be this time)	Yeah I swear, I'm (7) you girl yeah 'cause
Is it over, Is it over	There's a hole im my soul that's been killing me forever
'Cause I'm blowin' out the flame	It's a place where a garden never grows
Take a walk outside (2) mind	There's a hole im my soul, Yeah, I should have known bette
Tell me how it feels to be	'Cause your love's like a thorn without a rose
The one who turns the knife inside of me	If it's over, It is over
Take a look and you will find there's nothing there girl	Cause I'm (8) out the flame
Yeah I swear, I'm (3) you girl yeah 'cause	Take a (9) outside your mind
There's a hole im my soul that's been killing me forever	Tell me how it feels to be
It's a place where a garden never grows	The one who turns the knife inside of me
There's a (4) in my soul, yeah I should have	Take a look and you will find
known better	There's nothing there girl yeah I swear
'Cause your love's like a thorn without a rose	I'm telling you girl, yeah 'cause
I'm as dry as a seven-year drought	There's a hole im my soul that's been killing me forever
I got dust for tears	It's a place where a garden never grows
And I'm all tapped out	There's a hole im my soul, Yeah, I should have known bette
(Sometimes I feel broken and can't get fixed)	'Cause your love's like a (10) without a rose
I know there's been all kinds of shoes underneath your bed
