

Fill in the gaps

I'm down a one-way street	(And something tells me this time I'm down to my last licks)
With a one-night stand, With a one track mind	'Cause if it's over, Then it's over
Out in no-man's land	And it's driving me insane
(The punishment sometimes (1) seem to fit	Take a walk outside your mind
the crime)	Tell me how it feels to be
Yeah there's a hole in my soul	The one who turns the knife inside of me
But one thing (2) learned	Take a look and you will find there's (8)
For every love letter written	there girl
There's another burned	Yeah I swear, I'm telling you girl yeah ´cause
(So you tell me how it's gonna be this time)	There's a hole im my soul that's been killing me forever
Is it over, Is it over	It's a place where a garden never grows
'Cause I'm blowin' out the flame	There's a hole im my soul, Yeah, I should have known better
Take a walk outside (3) mind	'Cause your love's (9) a thorn without a rose
Tell me how it feels to be	If it's over, It is over
The one who turns the knife (4) of me	'Cause I'm blowin' out the flame
Take a look and you will find there's nothing there girl	Take a walk outside your mind
Yeah I swear, I'm telling you girl yeah ´cause	Tell me how it feels to be
There's a hole im my soul that's been killing me forever	The one who turns the knife (10) of me
It's a place where a garden (5) grows	Take a look and you will find
There's a hole in my soul, yeah I should have known better	There's nothing there girl yeah I swear
'Cause your love's like a thorn without a rose	I'm telling you girl, yeah ´cause
I'm as dry as a seven-year drought	There's a hole im my soul that's been killing me forever
I got dust for tears	It's a place where a garden never grows
And I'm all tapped out	There's a hole im my soul, Yeah, I should have known better
(Sometimes I feel broken and can't get fixed)	'Cause your love's like a thorn without a rose
I know (6) (7) all kinds of	
shoes underneath your bed	
Now Lelean with my boots on but you're still in my bood
