Won't Go Home Without You by Maroon 5

I asked her to stay but she wouldn't listen			Just (14) me one more chance to (15) i
And she (1)	(2)	I had the chance	right
to say			I may not make it (16) the night
The words that would	mend the ti	hings (3)	I won't go home without you
(4) broken			Of all the (17) I've felt I've never really
But now it's far too late she's gone away			showed
Every night you cry yourself to sleep			Perhaps the (18) is that I (19) let you
Thinking why does this happen to me?			go
Why does (5) moment have to be so hard?			I (20) not ever let you go
Hard to believe it			It's not over tonight
It's not over tonight			Just (21) me one (22) chance to make
Just give me one (6)	chanc	e to make it right	it right
I may not make it through the night			I may not make it through the night
I won't go home without you			I won't go home without you
The taste of her breath, I'll never get over			It's not (23) tonight
And the noises (7)	she m	nade (8) me	Just (24) me one more (25) to
awake			make it right
The weight of the things (9) remain unspoken			I may not make it through the night
Built up so much, it crushed us every day			I won't go home without you
Every (10) you cry yourself to sleep			And I won't go home without you
Thinking, why does this happen to me?			And I won't go home without you
Why (11) every moment have to be so hard?			And I won't go home without you
Hard to believe it
