## Won't Go Home Without You by Maroon 5

I asked her to (1) but she wouldn't listen	Just give me one more chance to make it right
And she left before I had the chance to say	I may not make it through the night
The (2) that would mend the things that were	I won't go home without you
broken	Of all the things I've felt I've never really showed
But now it's far too late she's gone away	Perhaps the worst is that I ever let you go
Every night you cry yourself to sleep	I (6) not ever let you go
Thinking why (3) this happen to me?	It's not over tonight
Why does every moment have to be so hard?	Just give me one more (7) to make it right
Hard to believe it	I may not make it through the night
It's not over tonight	I won't go home without you
Just give me one more chance to make it right	It's not over tonight
I may not make it through the night	Just give me one (8) chance to make it right
I won't go home (4) you	I may not make it through the night
The taste of her breath, I'll never get over	I won't go home without you
And the noises that she made kept me awake	And I won't go home without you
The weight of the things that remain unspoken	And I won't go home (9) you
Built up so much, it crushed us every day	And I won't go home without you
Every night you cry yourself to sleep
