

Fill in the gaps

This Is The Life by Amy Macdonald

Oh, the wind whistles down the cold dark street tonight
And the people they were dancing to the music vibe
And the boys chase the girls with the curls in their hair
While the shy tormented youth sit way over there
And the songs (1)_____ get louder each one better than
before
And you're singing the songs (2)_____ this is
the life
And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels
(3)_____ the size
Where you (4)_____ go? Where you gonna go?
Where you gonna sleep tonight? (5)_____ you gonna
sleep tonight?
So you're heading down the road in your taxi for four
And you're waiting outside Jimmy's front door
But nobody's in and nobody's home 'til four
So you're sitting there with nothing to do
Talking about Robert Riger and his motley crew
And (6)_____ you're gonna go?
And where you're gonna sleep tonight?
And you're singing the songs thinking this is the life
And you (7)_____ up in the morning and your head feels
twice the size
Where you (8)_____ go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the (9)_____ thinking this is the life

And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna (10)_____ tonight? Where you
gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight? Where you gonna sleep
tonight?
