

Fill in the gaps

From behind (1) (2)	I hear your	So find your home and settle in
song		Ohh, I'm ready to let you in
Oh, sweet words		Just as long as we know, this land is mine
The music that you play lights up my world		Follow the days I've traveled alone
The sweetest that I've heard		In this cold and colorless place till now
Could it be that I've been touched and turned		It's (7) I had to pay
Oh Lord, please finally, (3)	things are	This (8) is mine but I'll let you rule
changing		I let you navigate and demand
This land is mine but I'll let you rule		Just as long as you know, this land is mine
I let you navigate and demand		So find your home and settle in
Just as long as you know, this land is mine		Ohh, I'm ready to let you in
So find your home and settle in		Just as long as we know, this land is mine
Ohh, I'm ready to let you in		This land is mine but I'll let you rule
Just as long as we know, this land is mine		I let you navigate and demand
After all the battles and the wars		Just as (9) as you know, this land is mine
The scars and loss		
Well, I'm (4) the queen of my domain	ı	
And feeling stronger now		
The walls are down a little (5) (6)	day	
Since you came, finally, finally things are changing		
This land is mine but I'll let you rule		
I let you navigate and demand		
Just as long as you know, this land is mine
