

## Fill in the gaps

is

From behind these walls I hear your song	So find your (15) and settle in
Oh, (1) words	Ohh, I'm (16) to let you in
The (2) that you play lights up my world	Just as long as we know, (17) land is mine
The sweetest (3) I've heard	Follow the days I've (18) alone
Could it be that I've (4) (5) and	In (19) cold and colorless place (20)
turned	now
Oh Lord, please finally, finally things are changing	It's (21) I had to pay
This land is mine but I'll let you rule	This (22) is mine but I'll let you rule
I let you navigate and demand	I let you navigate and demand
Just as (6) as you know, this (7) is mine	Just as long as you know, (23) (24)
So find your home and settle in	mine
Ohh, I'm ready to let you in	So find your home and (25) in
Just as long as we know, this land is mine	Ohh, I'm ready to let you in
After all the (8) and the wars	Just as long as we know, (26) land is mine
The scars and loss	This land is mine but I'll let you rule
Well, I'm (9) the (10) of my domain	I let you navigate and demand
And (11) now	Just as long as you know, (27) land is mine
The walls are down a little more each day	
Since you came, finally, (13) things are	
changing	
This land is mine but I'll let you rule	
I let you navigate and demand	
Just as long as you know, (14) land is mine
