

Fill in the gaps

I'll be the one		We can share our dreams comin' true
I guess you were lost when I met you		I can show you what true love means
Still (1) were tears in (2) eyes		Just (8) my hand, baby please
So out of trust and I knew		I'll be the one
No more than mysteries and lies		I'll be the light
There you were, wild and free		Where you can run
Reachin' out like you needed me		To make it alright
The helping hand to make it right		I'll be the one
I am (3) you all (4)	the	I'll be the light
night		Where you can run
I'll be the one (I'll be the one)		I'll be the one (I'll be the one)
Who will make all your sorrows undone		Who will make all your sorrows undone
I'll be the light (I'll be the light)		I'll be the light (I'll be the light)
When you feel like there's nowhere to run		When you (9) like there's nowhere to run
I'll be the one		I'll be the one
To hold you		I'll be the one
And make sure that you'll be alright		I'll be the light
'Cause my fear is gone		Where you can run
And I want to take you from darkness to light		To make it alright
There you were, wild and free		I'll be the one
Reachin' out like you needed me		I'll be the light
A helping hand to make it right		Where you can run
I am (5) you all through the night		To (10) it all right
I'll be the one (I'll be the one)		I'll be the one
Who will make all your sorrows undone		To hold you
I'll be the (6) (I'll be the light)		And make sure that you'll be alright
When you feel like there's nowhere to run		I'll be the one
I'll be the one		
To hold you, and make sure that you'll be alright		
You (7) me like I need you
