

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are (1)_____ million bicycles in Beijing

That's a fact

It's a thing we can't deny

Like the fact that I will love you till I die

We are twelve billion light years from the edge

That's a guess

No one can ever say it's true

But I (2)_____ that I will always be (3)_____ you

I'm warmed by the fire of your (4)_____ everyday

So don't (5)_____ me a liar

Just believe everything that I say

There are six billion people in the world

More or less

And it makes me feel quite small

But you're the one I (6)_____ the most of all

We're high on the wire

With the world in our sight

And I'll never tire

Of the love (7)_____ you give me every night

There are nine (8)_____ bicycles in Beijing

That's a fact

It's a thing we can't deny

Like the fact that I will love you (9)_____ I die

And there are nine (10)_____ bicycles in Beijing

And you know that I will love you till I die
