

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact (1)_____ I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I know (2)_____ I will (3)_____ be
(4)_____ you
I'm warmed by the fire of your love everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it makes me (5)_____ quite small
But you're the one I love the most of all

We're high on the wire
With the world in our sight
And I'll never tire
Of the love that you give me every night
There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the (6)_____ that I will love you till I die
And there are nine million bicycles in Beijing
And you (7)_____ (8)_____ I will love you till I die
