

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact (1)_____ I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I know that I will always be with you
I'm (2)_____ by the fire of your (3)_____
everyday
So don't (4)_____ me a liar
Just (5)_____ everything that I say
There are six billion people in the world
More or less
And it makes me feel (6)_____ small
But you're the one I (7)_____ the most of all

We're high on the wire
With the world in our sight
And I'll never tire
Of the love that you give me every night
There are nine million bicycles in Beijing
That's a fact
It's a (8)_____ we can't deny
Like the fact that I will love you (9)_____ I die
And there are nine million bicycles in Beijing
And you know (10)_____ I will love you till I die
