

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine (1)_____ bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the (2)_____ (3)_____ I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I (4)_____ (5)_____ I will always be with you
I'm warmed by the fire of your love everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it makes me feel quite small
But you're the one I love the most of all

We're high on the wire
With the world in our sight
And I'll (6)_____ tire
Of the love that you give me (7)_____ night
There are nine million (8)_____ in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
And there are nine million bicycles in Beijing
And you (9)_____ that I will love you till I die
