

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing

That's a fact

It's a thing we can't deny

Like the fact that I (1)_____ love you (2)_____ I die

We are twelve billion light years from the edge

That's a guess

No one can ever say it's true

But I (3)_____ that I will always be with you

I'm warmed by the (4)_____ of your love everyday

So don't call me a liar

Just believe everything that I say

There are six billion people in the world

More or less

And it makes me (5)_____ quite small

But you're the one I (6)_____ the most of all

We're high on the wire

With the world in our sight

And I'll never tire

Of the love that you give me (7)_____ night

There are nine million (8)_____ in Beijing

That's a fact

It's a thing we can't deny

Like the fact that I will love you till I die

And there are nine (9)_____ bicycles in Beijing

And you know (10)_____ I will love you till I die
