

Fill in the gaps

Here Without You by 3 Doors Down

A (1) (2) have (3) me	And I dream about you all the time
older	I'm (19) you baby
Since the last time that I saw your pretty face	But you're still with me in my dreams
A (4) lies have made me colder	And (21) girl it's only you and me
And I don't think I can (5) at this the same	Everything I know and anywhere I go
But all the miles (6) separate	It (22) hard but it won't take away my love
Disappear now (7) I'm dreaming of your face	And (23) the last one falls, when it's all
'm (8) without you baby	(24) and done
But you're (9) on my lonely mind	It (25) hard but it won't take away my love, whoa
think about you baby	I'm here without you baby
And I (10) (11) you all the time	But you're still on my lonely mind
'm (12) without you baby	I think about you baby
But you're still with me in my dreams	And I (26) about you all the time
And tonight it's only you and me, yeah	I'm (27) (28) you baby
The miles (13) (14) rollin'	But you're still with me in my dreams
As the (15) leave their way to say hello	And tonight girl it's (29) you and me, yeah oh yeal
've heard (16) life is overrated	oh
But I hope that it gets (17) as we go, oh yeah	
yeah	
'm (18) without you baby	
But you're still on my lonely mind	
think about you baby
