## Have You Ever Really Loved A Woman by Bryan Adams

To really love a woman, to understand her	Oh
You (1) know her deep inside	You've got to give her some faith, hold her tight
Hear every thought, see every dream	A little tenderness, you (6) (7) her
An' give her wings when she wants to fly	right
Then (2) you find yourself lyin' helpless in her arms	She will be there for you, takin' good care of you
You know you really love a woman	You really gotta love your woman, ya
When you love a woman	And when you find (8) lyin' helpless in
You tell her, that she's really wanted	her arms
When you love a woman you tell her that she's the one	You know you really love a woman
'Cuz she needs somebody	When you love a woman
To tell her that it's gonna last forever	You tell her that she's really wanted
So tell me have you ever really	When you love a woman you tell her that she's the one
Really, really ever (3) a woman?	'Cuz she needs somebody
Yeah	To tell her that it's gonna last forever
To really love a woman, let her (4) you	So tell me have you (9) really
Til' you (5) how she needs to be touched	Really, really ever loved a woman?
You've gotta breathe her, really taste her	Yeah
Til' you can feel her in your blood	Just tell me have you ever really
An' when you can see your unborn children in her eyes	Really, really, ever loved a woman?
You know you really love a woman	Oh
When you love a woman	Just tell me have you (10) really
You tell her that she's really wanted	Really, really, ever loved a woman?
When you love a woman you tell her that she's the one	
'Cuz she needs somebody	
To tell her that you'll always be together
