There's (1) two types of people in the world	When I put on a show
The ones that entertain, and the ones that observe	I feel the adrenaline moving through my veins
Well baby, I'm a put on-a-show kind of girl	Spotlight on me and I'm ready to break
Don't like the back seat, gotta be first	I'm like a performer, the dance (4) is my stage
I'm like the ring leader, I call the shots	Better be ready, hope that you feel the same
(Call the shots)	All eyes on me in the center of the ring just like a circus
I'm like a firecracker I make it hot	When I crack that whip (5) gon' trip
When I put on a show	just like a circus
I (2) the adrenaline moving through my veins	Don't stand there watching me, follow me, show me what you
Spotlight on me and I'm ready to break	can do
I'm like a performer, the dance floor is my stage	Everybody let go, we can make a dance floor just like a circus
Better be ready, hope that you feel the same	Let's go
All eyes on me in the center of the ring just like a circus	Let me see what you can do
When I crack that whip everybody gon' trip just like a circus	I'm runnin' this like-like a circus
Don't (3) there watching me, follow me, show	Yeah, like a what? Like-like a circus
