

All I know is, I'ma be okay

Fill in the gaps

It's been the longest winter without you	Thought I couldn't live (12) you
I didn't know (1) to turn to	It's gonna hurt when it heals to, oh yeah
See somehow I can't forget you	It'll all get better in time
After all (2) we've been through	Even though I really (13) you
Go in, come in, (3) I heard a knock	I'm gonna smile 'cause I deserve to
Who's there? No one, thinking that I (4) it	It'll all get (14) in time
Now I realize that I (5) didn't know	Since there's no (15) you and me
You didn't notice, you mean everything	It's time I let you go so I can be free
Quickly I'm learning to love again	And live my life how it (16) be
All I (6) is, I'ma be okay	No (17) how hard it is, I'll be fine without you
Thought I couldn't live without you	Yes, I will
It's gonna hurt when it (7) to, oh yeah	Thought I couldn't live (18) you
It'll all get better in time	It's gonna hurt (19) it heals to, oh
Even though I really loved you	It'll all get better in time
I'm gonna smile 'cause I deserve to	Even though I really loved you
It'll all get better in time	I'm gonna smile 'cause I deserve to, yes, I do
How could I turn on the TV	It'll all get better in time
Without something (8) to (9)	Thought I couldn't live without you
me?	It's gonna (20) when it heals to, yeah
Was it all that easy	It'll all get better in time
To just put aside your feelings?	Even (21) I (22) loved you
If I'm dreaming, don't wanna let, (10) my feelings	I'm gonna (23) 'cause I (24)
But that's the path, I believe in	to
And I know that, time will heal it	
You didn't notice, you (11) everything	
Quickly I'm learning to love again
