

## Fill in the gaps

I feel it in my fingers	My mind's (8) up by the way that I fee
I feel it in my toes	There's no beginning, there'll be no end
The love that's all around me	'Cause on my love you can depend
And so the (1) grows	I got to keep it moving
It's written on the wind	It's (9) in the wind
It's everywhere I go	Oh everywhere I go
So if you (2) love me	So if you really (10) me, love me
Come on and let it show	Come on and let it show
You know I (3) you, I always will	Come on and let it show
My mind's made up by the way (4) I feel	Come on and let it
There's no beginning, there'll be no end	Come on and let it,
'Cause on my love you can depend	Come on and let it show
I see your face before me	Come on and let it,
As I lay on my bed	Come on and let it,
I (5) get to thinking	Come on and let it show,
Of all the things you said	Come on and let it show,
You gave your promise to me and I (6) mine to you	Come on and let it show
I need someone beside me in (7) I	
do	
You know I love you, I always will
