_____ no hope at

There comes a time, when we hear a certain call	It's true, we'll make a better day, just you and me
When the world must (1) together as one	Send them your heart so they know that someone cares
There are people dying	And their lives will be stronger and free
And it's time to (2) a hand to life	As God has shown us by turning stones to bread
The greatest gift of all	And so we all must lend a helping hand
We can't go on pretending day by day	-chorus repeat
That someone, (3) will soon make	When you're down and out, there (6) no hop-
change	all
We are all a part of God's great big family	But if you (7) believe there's no way we can fall
And the truth you know	Let us realize that a change can only come
Love is all we need	When we stand together as one

We are the world, we are the children	It's True we (8) better days just you and me
