You Shook Me All Night Long by Acdc

She was a fast machine	On the seduction line
She kept her motor clean	She was one of a kind, she's (5) mine all mine
She was the best damn (1) I had ever seen	She wanted no applause
She had the sightless eyes	Just another course
Telling me no lies	Made a (6) out of me and came back for more
Knockin' me out with those (2) thighs	Had to (7) me down
Taking (3) than her share	To take another round
Had me fighting for air	Now I'm (8) in the ring to take another swing
She told me to come but I was already there	'Cause the walls (9) shaking
'Cause the walls start shaking	The earth was quaking
The earth was quaking	My mind was aching
My (4) was aching	And we were making it and you -
And we were making it and you -	Shook me all night long
Shook me all night long	
Working double time
