In Alabama she was swinging hammer	Who knew what others died to prove?
Price you gotta pay when you break the panorama	Too true to say (5) to you
She never knew that there was anything more than poor	Too true, too sad sad sad
What in the world does your company take me for?	Push the fader, gifted animator
Black bandana, sweet Louisiana	One for the now and eleven for the later
Robbin' on a bank in the state of Indiana	Never made it up to Minnesota
She's a runner, rebel and a stunner	North (6) man was a gunnin' for the quota
On her (1) way saying baby what you gonna	Down in the (7) she was saving the best
Lookin' (2) the barrel of a hot metal .45	for last
Just another way to survive	It only hurts when I laugh
California rest in peace	Gone too fast
Simultaneous release	California rest in peace
California show (3) teeth	Simultaneous release
She's my priestess, I'm your priest	California show (8) teeth
Yeah, yeah	She's my priestess, I'm (9) priest
She's a lover, baby and a fighter	Yeah, yeah
Should've seen her coming when it got a little brighter	California rest in peace
With a name like Dani California	Simultaneous release
Day was gonna come when I was gonna mourn ya	California show your teeth
A little loaded she was stealing another breath	She's my priestess, I'm your priest
I love my baby to death	Yeah, yeah
California rest in peace	
Simultaneous release	
California show your teeth
