

Fill in the gaps

Well, you done (1) me and you bet I felt it	I've been spendin' way too long checkin' my tongue in the
I (2) to be chill but you're so hot that I melted	mirror
I fell right through the cracks, now I'm tryin to get back	and bendin' over backwards just to try to see it clearer
before the cool done run out I'll be givin it my bestest	But my breath fogged up the glass
and nothin's gonna stop me but divine intervention	and so I drew a new face and I laughed
I reckon it's again my turn to win some or learn some	I guess what I'd be sayin' is there ain't no better reason
But I won't (3) no more,	to rid yourself of vanities and just go with the seasons
no more, it cannot wait	it's what we aim to do
I'm yours	our name is our virtue
Well open up your mind and see like me	But I won't hesitate no more,
open up your plans and damn you're free	no more it cannot wait
look into your heart and you'll find love love love love	I'm yours
listen to the music of the moment people dance and sing	Well open up your mind and see like me
We're (4) one big family	open up your plans and damn you're free
And it's our godintended right to be loved loved	look into your heart and you will find that the sky is yours
(5) loved loved	so (9) don't, please don't, (10)
So, I won't hesitate no more,	don't,
no more, it (6) wait I'm sure	there's no need to complicate,
there's no need to complicate our time is short	Cause our time is short
this is our fate	This, this, this is our fate,
I'm yours	I'm yours
scat do you (7) to come (8) on	
over dear,	
and i will nibble your ear, *scat*
