Do It Well by Jennifer Lopez			
Do it, do it			
You do it, do it			
You're doin' it well			
Here's the thing			
was mindin' my own business, doin' what I do			
I wasn't tryna look for anythin'			
All of a sudden couldn't take my eyes off you			
I didn't even know if you could tell			
That you had me in a daze sayin' what the hell			
Here's my name, number, baby, (1) hit my cell			
Lovin' everything you do 'cause you do it well			
Don't know what you got me thinkin'			
You ain't even tryna play me, boy			
'Cause you're so good and you're so fine			
Got me sayin' crazy things, listen			
I ain't ever met a man like that			
I ain't ever fell so far, so fast			
You can turn me on, throw me off track			
Boy you do it, do it, you do it, do it			
You're doin' it well			
I ain't ever met a man like that			
I ain't ever fell so far, so fast			
You can turn me on, (2) me off track			
Boy, you do it, do it, you do it, do it
