

## Fill in the gaps

He deals the cards as a meditation	I know that diamonds mean money for this art
And those he plays never suspect	But that's not the (17) of my heart
He doesn't (1) for the (2) he wins	That's not the shape, the shape of my heart
He doesn't play for the respect	And if I told you (18) I loved you
He deals the (3) to find the answer	You'd maybe (19) there's
The sacred (4) of chance	(20) wrong
The (5) law of probable outcome	I'm not a man of too many faces
The numbers lead a dance	The mask I (21) is one
I know that the spades are the (6) of a soldier	Those who (22) know nothing
I know (7) the clubs are weapons of war	And (23) out to their cost
I know (8) (9) mean money	Like those who curse (24) luck in too many
for (10) art	places
But that's not the shape of my heart	And those who fear are lost
He may play the jack of diamonds	I know that the spades are the swords of a soldier
He may lay the (11) of spades	I know that the clubs are weapons of war
He may conceal a king in his hand	I know that (25) (26) money
While the (12) of it fades	for this art
I know that the (13) are the	But that's not the shape of my heart
(14) of a soldier	That's not the (27) of my heart
I (15) that the clubs are (16) of	
war
