

Fill in the gaps

I got your emails	She was (11) you, yeah
You just don't get females	Now, I (12) care
Now, do you?	About who, what or where
What's in my heart	We're through
Is not in your head	You'll have to cry me out
Anyway	You'll have to cry me out
Mate, (1) too late	The (13) that'll fall
And you weren't (2) the wait	Mean (14) at all
Now, were you?	It's (15) to get (16) yourself
It's out of my hands	Baby, you ain't all that
Since you blew your last chance	Baby, there's no way back
When you played me	You can keep talking
You'll (3) to cry me out	But baby, (17) (18) away
You'll (4) to cry me out	Gonna have to cry me out
The tears that'll fall	Gonna have to cry me out
Mean (5) at all	Boy, there ain't no doubt
It's (6) to get (7) yourself	Gonna have to cry me out
Baby, you (8) all that	Won't hurt a little bit
Baby, (9) no way back	Boy, (19) get used to it
You can keep talking	You can (20) talking
But baby, I'm walking away	But baby, I'm walking away
When I found out	You'll (21) to cry me out
How you messed me about	You'll have to cry me out
I was broken (heartbroken)	The tears that'll fall
Back then I believed you	Mean (22) at all
Now, I don't (10) you	It's time to get over yourself
No more	You'll Have to cry me out
The pic on your phone	You'll (23) to cry me out
Proves you weren't alone
