## T Love Rock & Roll by Joan Jett

## Fill in the gaps

I saw him dancing there by the record machine	Singing I love rock and roll
I knew he must have been about seventeen	So put another dime in the jukebox, baby
The beat was (1) strong, playing my favorite	I love rock and roll
song	So come and take your time and dance with me
And I could tell it wouldn't be long 'til he was with me, yeah me	I love rock and roll
I could tell it wouldn't be long 'til he was with me, yeah me	So put another dime in the jukebox, baby
Singing I love rock and roll	I love rock and roll
So put another dime in the jukebox, baby	So come and take (7) time and dance with
I love rock and roll	I love rock and roll
So come and take your time and dance with me	So put another dime in the jukebox, baby
Ow!	I love rock and roll
He smiled so I got up and asked for his name	So come and take your time and dance with
But that don't matter he (2) 'cause it's all the same	I love rock and roll
He said, "Can I (3) ya home where we can	So put another dime in the jukebox, baby
be alone?"	I love (8) and roll
And next we're moving on, he was with me, yeah me	So come and (9) your time and dance with
Next we (4) movin' on, he was with me, yeah me	I love rock and roll
Singing I love rock and roll	So put another dime in the jukebox, baby
So put another dime in the jukebox, baby	I (10) rock and roll
I love (5) and roll	So come and take your time and dance with me
So come and take your time and dance (6) me	
Ow!	
He said, "Can I take ya home where we can be	
alone?"	
Next we're moving on, he was with me, yeah me	
And we'll be movin' on and singing that same old song, yeah	
with me
