When you're close to tears remember	Of love
Someday it'll all be over	Cause we are gonna be
One day we're gonna get so high	Forever, you and me
Though it's darker than December	You will
What's (1) is a different colour	Always keep it flying high in the sky
One day we're gonna get so high	Of love
And at the end of the day remember the days	And at the end of the day remember the days
When we were close to the end	When we were close to the end
And wonder how we made it through the night	And wonder how we (6) it (7)
At the end of the day	the night
Remember the way	At the end of the day
We stayed so close to the end	Remember the way
We'll remember it was me and you	We stayed so close to the end
Cause we are (2) be	We'll remember it was me and you
Forever, you and me	Cause we are gonna be
You will	Forever, you and me
Always (3) it flying high in the sky	You will
Of love	Always keep it flying high in the sky
Don't you think it's (4) you started	Of love
Doing what we always wanted	Cause we are gonna be
One day we're gonna get so high	Forever, you and me
Cause even the impossible	You will
Is easy (5) we got each other	Always keep it flying high in the sky
One day we're gonna get so high	Of love
And at the end of the day remember the days	Cause we are gonna be
When we were close to the end	Forever, you and me

At the end of the day	Always keep it flying high in the sky
Remember the way	Of love
We stayed so close to the end	Cause we are gonna be
We'll remember it was me and you	Forever, you and me
Cause we are gonna be	You will
Forever, you and me	Always keep it flying (8) in the sky
