

Fill in the gaps

I realized the best part of (1) is the	Lost in (7) and I don't know much
(2) slice	Was I thinking aloud and fell out of touch?
And it don't count for much	But I'm back on my feet
But I'm not letting go	And eager to be what you wanted
I believe there's still much to believe in	You know you can't fool me
So lift your eyes if you (3) you can	I've been loving you too long
Reach for a star and I'll show you a plan	It started so easy
I figured it out	You want to carry on
What I needed was someone to (4) me	Lost in love and I don't know much
You (5) you can't fool me	Was I thinking aloud and fell out of touch?
I've been loving you too long	But I'm back on my feet
It started so easy	Eager to be what you wanted
You want to carry on	Now I'm lost, lost in love, (8) in love, lost in love
Lost in love and I don't know much	Now I'm lost, I'm (9) in love, (10) in
Was I thinking aloud and fell out of touch?	love, lost in love
But I'm back on my feet	Lost in love, lost in love, lost in love
And eager to be what you wanted	Lost in love, lost in love, lost in love
So (6) your eyes if you feel you can	
Reach for a star and I'll show you a plan	©NOTTSONGS
I figured it out	
What I needed was someone to show me	
You know you can't fool me	
I've been loving you too long	
It started so easy	
You want to carry on
