

White Flag by Dido

I know you think that I shouldn't still love you

I (1)_____ you that

But if I didn't say it

Well, I'd still have felt it

Where's the (2)_____ in that?

I promise I'm not trying to make your life harder

Or return to where we were

Well I will go down with this ship

And I won't put my hands up and surrender

There will be no (3)_____ (4)_____ above my door

I'm in love and (5)_____ will be

I know I left too much mess

And destruction to come back again

That I cause nothing but trouble

I understand if you can't talk to me again

And if you live by the rules of "It's over"

Then I'm sure that that makes sense

Well I will go down with this ship

And I won't put my hands up and surrender

There will be no (6)_____ flag above my door

I'm in love and always will be

And when we meet

Which I'm sure we will

all that was there

Will be (7)_____ still

I'll let it pass

Fill in the gaps

And hold my tongue

And you will think

That I've moved on

Well I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always (8)_____ be

Well I will go down with (9)_____ ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in (10)_____ and always will be

Answer

Fill in the gaps

1. tell
2. sense
3. white
