

I know you think that I shouldn't still love you
I (1) you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not trying to make your life harde
Or return to (2) we were
Well I will go (3) with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always (4) be
I know I left too much mess
And destruction to come back again
That I cause nothing but trouble
I understand if you can't talk to me again
And if you live by the rules of "It's over"
Then I'm sure that that makes sense
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And when we meet
Which I'm sure we will
all that was there
Will be there still
I'll let it pass

And note my tongue
And you will think
That I've moved on
Well I will go down (5) this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
Well I will go down with this ship
And I won't put my hands up and surrender
There (6) be no white flag above my door
I'm in love and always (7) be
I will go down (8) this ship
And I won't put my (9) up and surrende
There will be no white flag above my door
I'm in love and always will be
