

Fill in the gaps

| I know you (1) that I shouldn't still love you |
|---|
| I tell you that |
| But if I didn't say it |
| Well, I'd still have felt it |
| Where's the sense in that? |
| I promise I'm not trying to make your life harder |
| Or return to where we were |
| Well I will go down with this ship |
| And I won't put my hands up and surrender |
| There will be no (2) flag above my door |
| I'm in love and always (3) be |
| I know I left too much mess |
| And destruction to come (4) again |
| That I cause nothing but trouble |
| I understand if you can't talk to me again |
| And if you live by the rules of "It's over" |
| Then I'm sure that that makes sense |
| Well I will go (5) with this ship |
| And I won't put my hands up and surrender |
| There will be no white flag above my door |
| I'm in love and always (6) be |
| And when we meet |
| Which I'm sure we will |
| all that was there |
| Will be there still |
| I'll let it pass |

| And noid my longue |
|---|
| And you will think |
| That I've moved on |
| Well I will go down with this ship |
| And I won't put my hands up and surrender |
| There will be no white flag above my door |
| 'm in love and always will be |
| Well I will go down with this ship |
| And I won't put my (7) up and surrender |
| There will be no white flag above my door |
| 'm in love and always will be |
| (8) go down with (9) ship |
| And I won't put my hands up and surrender |
| There will be no white flag above my door |
| 'm in love and always will be |
